

# **MARSH METROLOGY-**

*17025 Accredited Calibrations: Physical – Electrical – Dimensional*

## ***Typical Equipment Calibrated in the Mobile Lab***

***AC/DC Hipot Testers  
Ammeters  
Calipers  
Chart Recorders  
Clamp-On Ammeters  
Counters  
Current Shunts  
Data Loggers  
Dead Weight Testers  
Decade Boxes  
Dial Indicators  
Digital Multimeters  
Digital Tachometers  
Digital Thermometers  
ESD Testers  
Go/No Go Gauges  
Height Gauges  
Inclinometers  
Indicators  
Laser Micrometers  
Levels  
Load Cells  
Machinist Rules  
Machinist Squares  
Megohmmeters  
Micrometers***

***Microscopes  
Multimeters  
Oscilloscopes  
Panel Meters  
Power Supplies  
Precision Balls  
Pressure Gauges  
Pressure Transducers  
Process Calibrators  
Protractors  
Radius Gauges  
R.T.D.'s  
R.T.D. Simulators  
Scales  
Steel Rules  
Straight Edges  
Super Micrometers  
Tachometers  
Tape Measures  
Tensiometers  
Test Indicators  
Liquid in Glass Thermometers  
Thickness Gauges  
Thread Pitch Gauges  
Torque Wrenches  
Vacuum Gauges***
